

At Wiveliscombe Primary School we teach our children French. It is our intention that all children in Key Stage 2 will access a French curriculum which will develop their knowledge and progressively increase their vocabulary and skills in developing languages. They will use and apply an increasing bank of vocabulary and knowledge of cultural differences which will enable our children to be more confident and understanding global citizens.

Intent

To provide a broad and balanced curriculum which is progressive in knowledge, skills and vocabulary.

To give our children an understanding and appreciation of the French Culture.

To enable our children to be a confident/understanding global citizen
