Reading is a key life skill and is the foundation for learning new knowledge. It enables and empowers our children in becoming independent learners and broadening their experiences beyond that of their immediate surroundings.

We are dedicated to supporting our children in gaining a love and enjoyment of reading; leading to become lifelong readers. This commitment of learning allows our children to acquire new knowledge and develop their understanding of language: helping them to build upon what they already know.

Our children are immersed in a range of broad and rich experiences of non-fiction and fiction by a range of authors from around the world as well as modern and classical poetry by a range of poets. These extensive reading experiences provide our children with the chance to develop culturally, emotionally, intellectually, socially and spiritually through carefully chosen text.
