Example of Parent Comments	"My child seems very happy at school and takes on her homework with enthusiasm." "Parents' evening was informative and re-assuring, and gave the opportunity to put one's mind at rest if there were any concerns." "Positive but still gave things to work on, gave me a clear understanding of what I can do to assist at home and where my child is going next with his learning." "Really pleased to hear that my child is getting on so well." "Good meeting, clear information about how my child is getting on." "A very well-balanced mixture of my son's academic and social development." "The class teacher knows my child well and nurtures him both in his education and in everyday life. They always puts my mind at ease as are approachable to ask any questions at the start or end of the day. Thank You." "The class teacher knows my child's nature well and inspires him. He is feeling settled and enjoying school life."
