

Parents' Evening Survey Responses – Spring 2025

I was given a clear overview of my child's progress:	97%
I feel that I know how to support my child's learning:	94%
Overall, my experience of Parents' Evening was: (Scale: 1 = Very Poor, 5 = Excellent)	Average Score: 4.8
Example of Parent Comments:	"Great to have a catch-up on progress and upcoming targets" "It was lovely to hear the progress made so far." "My child's teacher has a clear passion for teaching and this is reflected in the way they talk about the students. They know my child well, respond to their needs in the classroom and is helping ensure my child thrives!" "Very informative and answered all questions we had." "It's great to see where my child learns as he spends a large amount of time here! My child's teacher inspires me when I hear them talking about their learning. My child is very calm and happy." "Thank you to the teaching team!"
